Prettyman Prayer Report

PLEASE PRAY FOR TRAINING

During our first week of training with these 40 students, we felt so much difficulty and opposition. Just these last few days we have sensed the beginnings of light breaking through, hearts softening, and a genuine work of the Holy Spirit in their lives. We are asking you to take time tonight in your prayer meeting tonight to lift us up. The intensity of the battle tells me this is a serious time in these men's lives, families, and ministries. Pray for brokenness about sin, a heart truly in love with Christ, and a resolve of faith that will stand the test of battles ahead.

These students have been trained to preach the Gospel clearly, and today we gave them some tools that will help them to train others

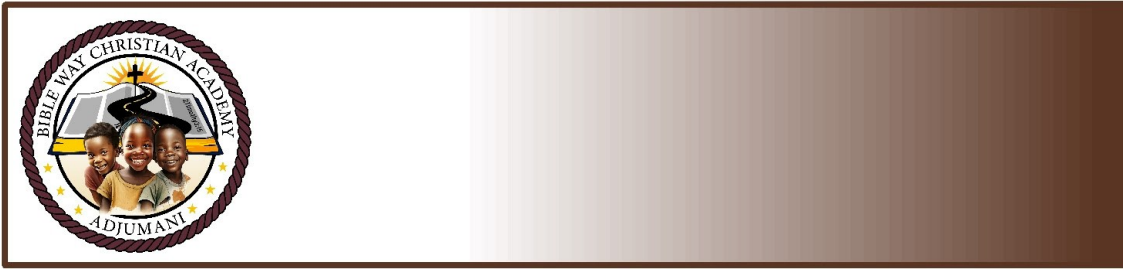

to preach the Gospel. Please pray for boldness as they advance with the true Gospel. Many of them are facing intense opposition from their community leaders about preaching a Gospel that is so different than the ones the community has embraced.

Thank you for praying for this new program for our STT students. Unfortunately, only two of the four we invited came for the training. Pray for Edwin and Econi. They have really been eating up all the focused study on God's Word. I can see them becoming deeply rooted in what they believe. Pastor Joseph Howard has really been used of God to stir these men up as he teaches through the highlights of Hebrews. Pastor Aaron Helterbran has been teaching through 2 Corinthians, verse by verse, and is being used powerfully by God!

The student leadership team is doing such a wonderful job, taking so many burdens off of me. I feel like Ronnie, Justin, Jovan, and Bosco have learned valuable lessons about servant-leadership.

Pastors David and Joshua are telling me that the starting date for the school is **February 9!** Please pray as the boy's dormitory is still not complete. The work is going very well, and they may be able to reach a point where the students can stay in the building even though it's not completed. Please also continue to pray for the right teachers. We're having such a time of trying to find godly Baptist school teachers who are certified to teach!

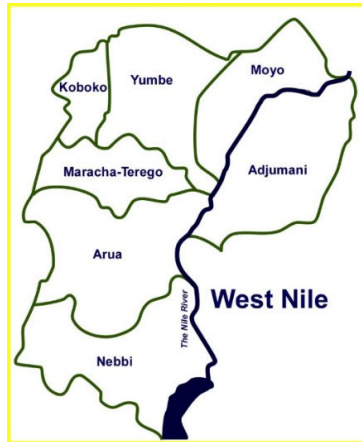

IN THE NAME OF THE KING!
