

# Aaron & Kristia Reisinger

February – March 2026

Dear Pastor and praying friends,

Hopefully the new year has brought many blessings and more opportunities to be a witness and testimony for Jesus Christ.

As many of you know, we had to leave Colombia briefly due to the expiration of our educational visas in December. We are thankful that we were able to visit with family and some of our supporting churches during a brief visit to the US.

We look forward to applying much of our language learning as we get more involved in the ministry over the next several months. Please keep our language development in your prayers as we try to become more involved in preaching, teaching, witnessing and discipling in the near future. There are also three different Amazon for Christ medical connect trips planned for this year that we are planning to be a part of. This is a wonderful opportunity to minister to the physical need in order to reach the spiritual emptiness. Please continue to pray for these trips as well.

As we shared before, my wife injured her knee sometime last year and we are still dealing with that situation and seeking wisdom and asking God to heal quickly and effectively. We greatly appreciate the prayers and interest that have been shown regarding her recovery. Prayerfully, she will be “up and running again soon.”

We want each of you to know that we sincerely appreciate the opportunity to be partnered together to share the truth and love of Christ with the people of South America and we are faithfully praying for you and your ministry as well. May God stir a much needed revival here in our nation.

In His service,  
Aaron and Kristia Reisinger
