Beloved pastors, churches, and fellow believers, Grace and peace be to you from our Heavenly Father and the Lord Jesus Christ.

By the grace of the Lord we have brought the gospel of grace to many people, we went to the park of Santa Cruz de Yojoa and many young people heard the gospel of grace, many tracts were delivered, we hope that the Holy Spirit will do the work in each of them,

I ask for your prayers for the numerical and spiritual growth of the church. I ask for your prayers for God's provision to be able to begin building as you are already aware of the desire to be able to start this project and thus be able to lay the foundation, bathrooms, septic tank so that we can gather soon in the church building. Please, if anyone wants to help start building either with a rod, a bag of cement or a dump of gravel or sand, it will be a tremendous blessing. We know that our God is the owner of gold and silver and he will provide for us for his work, we pray for this request.

I ask for your prayers for God's provision to repair the alternator of the church bus that oscillates in more than \$100. I also ask for prayer for two sisters who have shown the desire and interest in being baptized, Sister Maria and Ceci, a 14-year-old girl, that God may continue to work in the hearts of the brothers.

A few weeks ago we had the opportunity to preach the gospel with the brothers from Kansas in a school near the community, both children and adults were shared with the message of salvation, there were prizes and piñatas. It was a tremendous blessing because this event allowed us to make ourselves known as a church.

We communicate that our son was taken to the pediatrician and everything is fine, he is a healthy baby by the grace of our beloved Lord, we are deeply grateful for his prayerful and financial support for that need.

Grateful for your love, prayer, and financial support With much love and much gratitude,

Martínez Mejía family (Yery, Sujeyli, Rebeca and little Yery)
