Thank you for your prayers for us as we travel on deputation. In the month of March we were able to go to many churches and present the ministry. Our support level continues to come up and God is supplying all of our needs.

We had a pressure valve go out in our travel trailer water heater while in North Carolina, but God allowed me to temporarily fix it until we got the trailer back home fixed it properly.

Also while out in March, we contracted a stomach bug that went through the family and stuck with Carly and Robert for a while. Robert in particular seemed to get better for a few days and then be sick again. Twice this happened. Please pray for our protection from sickness as we travel. We have been sick over the last year from bad food at restaurants, flus and stomach bugs picked up across the country and just simply the stress of constant travel. Please keep us and all of your missionaries in prayer regarding protection from sickness. Not to be negative or say that God is not taking care of us, because He certainly is, these are just some everyday things we deal with.

While we have been traveling, God does put people in our path to witness to. Please pray for wisdom as we point these lost and wondering souls to Christ. Here in the Bible belt most folk know of Jesus, but few truly know Him. One man in particular knew he was not saved, but he was trusting in what his deceitful heart was telling him and felt he couldn't be saved. Please pray for me as I deal with confused souls, not only on deputation, but on the ships as well.

Speaking of ships, please keep the port of Panama City Florida in prayer as it is wide open for a cult to step in and take over since I am out on deputation. To end this letter, I would like to thank our supporters in prayer and financially, as none of what we do would be possible without your help. Thank you and we are praying for you.
