Dear Brethren,

Missionary Alex Melendez, serving in Costa Rica and Panama, has an opportunity to purchase a greatly-needed vehicle to replace his 14-year-old car (being towed in photo below) which he has used to make trips back and forth to Panama every week where he has three mission churches (has also started a fourth one). Many times has Bro. Alex suffered setbacks of breakdowns as seen below in his trips back and fourth to Panama. The photo below shows the tow truck having to haul his vehicle from Panama back to Costa Rica.

Bro. Alex's son Isaac, who lives in Ohio, USA, has found an excellent vehicle, an Audi Q7, seven-passanger, and in superb condition, for \$20,000. This is a quality car which should last for many years. Plans are to have the vehicle shipped to Costa Rica, all handled and processed by his son Isaac, along with friends who are associated with one of Bro. Alex's most faithful co-workers in the mother church in Costa Rica, Bro. Erick Carranza. This has been well-organized and arranged, and the challenge at this point is to trust in almighty God to provide the \$20,000.

Maybe you or your church would be interested in stepping out by faith and helping our Bro. with this most valuable need. If God would lead you to help, please let me know. You can send any check written out to the GPA and designated for MELENDEZ VEHICLE, to the mission office at

Or, you can go to the mission website at gpamissions.com, click on MENU, then click on OUR MISSIONARY FAMILY. Scroll down to the Alex Melendez family, and click on DONATE. This way, you can process your offering very quickly, and you will be given a receipt just as if you had sent it through the regular postal mail.

GOD IS NOT LIMITED WHEN IT COMES TO HIS HEAVENLY RESOURCES. What is limited many times is our faith. GOD IS FAITHFUL.

Thanks for your attention and for your prayers.
