Missionaries to Thailand

To open their eyes, and to turn them from darkness to light,
and from the power of Satan unto God... Acts 26:18

Dear Pastor and praying friends,

April - May 2026

We want to thank you so so much for not only your faithful support, but for your prayers also!

As you know in April we had our youth camp, we had approx 70 youth from 10 Independent Baptist churches with 4 churches coming for the first time. Several of the pastors said at first, they were hesitant to come because they were not sure if it would be beneficial, but before the camp was over they were mentioning how beneficial it was. We praise the Lord for the young people that did not harden their soul to the Lord's working, and in the end there were 4 that made public professions of faith, and 15 said they were making the decision to surrender their life to serve our Lord Jesus Christ!

We are greatly rejoicing that several of the pastors have said several of their young people are changed, and they are active in their church like they never have been before! Praise be to our Lord Jesus Christ!

Please pray with all of us because the devil and all the demons here are doing all they can to try to stop these young people from going onward with our Lord Jesus Christ.

Also pray with us as we are starting bimonthly youth revivals to challenge and encourage the youth to continue onward with our Lord Jesus Christ! The first one will be July 11.

In our last prayer letter we mentioned how Lanna Baptist Church had their second ever mission revival in February, and how the missions giving has increased by over 30%. We thank the Lord that the brethren have so far preserved this, and Lord willing they will be able to take on another missionary soon.

In our last couple of prayer letters we have mentioned a family that has two adult sons, in who one is married and has two kids and the other is still single. We praise the Lord that the one who is married, and his wife have recently made a profession of faith and have been coming more faithfully!

In our last prayer letter, we told you how the father and the other adult son have been striving to get to the church meetings earlier, and have been studying the Bible along with several other men with me on Sunday afternoons. And how we were about to start a Saturday night Bible study at their house. In May, we had our first Saturday night Bible study at their house, but sadly some things have happened within their family, and they have not continued the Saturday night Bible study, and their youngest adult son has not come to the church meetings for 4 weeks now, and will not really talk to anyone.

We know the community they live in is a spiritual stronghold, and satan and demons do not want a church to get started there. But we praise the Lord that the father's younger brother that he and his family got coming to Lanna Baptist Church, and who lives in the same community, is faithfully coming and seems to be growing in the Lord! Please pray for him as I was talking to my partner Pastor Apisit about how in the meantime we should talk to this younger brother about opening up his house for Bible studies, and Pastor Apisit got the opportunity to talk to him before I did, and he said he wanted to get some things in order first. Please pray with us that this younger brother that is faithfully coming and seems to be growing in the Lord will open his house to be a lighthouse in this spiritually dark community. And also for his brother's family that each of them will desire and strive to allow the Word of God to lead them and not their experiences or views that are not according to the Word of God.

In our last prayer letter I mentioned how the Swedish man that I witnessed to and saw had religion, but was >

lost, had been listening to and reading the Swedish Bible I found for him online, and how he just got saved and then baptized. We praise the Lord that one of our supporting churches sent us the contact info of a missionary in Sweden that is only about 45 miles from him! Please pray that he will give this missionary time to teach the Word of God to him in his own language, especially as it seems he is not that fluent in English or Thai.

Additional things to pray along with us:

For the people we witness to each week to repent and receive our Lord Jesus Christ, as their personal Saviour and only God and will faithfully serve Him!

For the brethren here to grow in their relationship with our Lord and will faithfully serve Him!

For the Lord's continued provision in wisdom, health, and care of the ministry and our family!

For the Lord's continued help and protection for our daughters in the US. One is working in a summer program of an Independent Baptist Church, and our other daughter is working at the Independent Baptist Camp she worked at last year.

For the Lord's continual help with our two daughters US Bible College studies, and that they will allow Him to build them up in every area of their life, so they can help others come to know Him as their Lord and Saviour and serve Him!

Please pray for the full success of a medical procedure our youngest daughter will be having in August. We will be going to the US to be with her and our oldest daughter, and Lord willing we will be back in Thailand before the end of August.

For the Millions of Untold Souls in Thailand,

Brian, Evelyn, Ruth, and Rachel McClain
