Greetings Supporters and Prayer Partners,

Thank you all for your tender prayers. We would like to praise the Lord for the meetings that we have had this second quarter of 2026.

In the book of Joshua, Israel's first obstacle when entering the Promised Land was the stronghold of Jericho. Its walls were massive and intimidating. Despite the oppressiveness of the city, God gave Joshua a plan. March around the walls of the city once for a week and on day seven march around it seven times. When the children of Israel followed God's plan, God tore down the city without them having to fight. At times God gives us an obstacle that we cannot face in our own strength. He gives us a plan to follow and all we are required to do is follow it. Often times, I wonder what some of the people were thinking on day 5 or on the fourth lap on the last day. Doubtless some thought that Joshua had gone mad or started to question if God was actually going to do something. For us, our current Jericho is Deputation and we are on day 4. We

are trusting that God will use us and bless churches through us as He prepares us for Japan. On days when those doubts creep in and if it feels like Satan is attacking us with doubt and depression, I am thankful for godly friends like Brandon Lassiter and godly mentors like Pastor David Cajiuat and Missionary Frank Mietta who are able and willing to provide Godly counsel. They have been super instrumental in encouraging me and reminding me that Jericho did fall as Israel followed God's plan. I know whenever I start to get those depressing thoughts that it will all be ok. It is God's 7-day plan and it's only day 4.

We do ask that you pray for us as we travel this third quarter. This summer has been an unusually hot one. Our car has been a major blessing with its strong AC, but we don't want to overexert it to the point that it dies on us.

I am so thankful for the lessons God teaches us as we walk along life's journey. Please continue to pray with us as we get more support and more meetings. Thank you all once again for your prayers and support.
