

# THE HELTONS

Missionaries to Spain

May - June 2026

Dear Friends,

May and June have been incredibly busy! We have seen God working in amazing ways. First, we had yet another baptismal service. Three obeyed in believers baptism. It was a very special moment for us and for them. The church is growing and we added four new members shortly after that. As a result, we are now pushing the capacity of the space on a weekly basis. The amazing part is that this is the summer here when everyone is normally on vacation!

However, one big announcement happened the first week of June. God led us to a new space! It is three times the size of our current space, which will allow a larger auditorium, classrooms, and even a small kitchen area. It is within walking distance of our current location and the landlord is a believer! We are talking to the same architect who helped us five years ago with the current building. As we know more, we will share the plan and the need with you all! God has provided exactly what we needed when we needed it!

Of course, the path was not

without challenges. About one week after we signed the contract to rent the place, Jaén experienced one of the worst storms in history. The heavy

amount of rain caused damage to the storm drains on the street, revealing a design flaw in the internal drain for the local. We came in to find several inches of sewage water! Fortunately, our wonderful people quickly coordinated to clean it up and even made the local news!

In the meantime, we have continued our outreach efforts, including a video game night to reach teens and young people. It was also a big hit!

The video for this prayer letter will come later when I know more about the building project. We will share the link separately. We are so

grateful for all of your prayers and support. Thank you for choosing to partner with us! May God bless you!

In Christ,  
*Michael and Jen Helton*
