Dear Brethren,

My daughter Melanie and her family (Quintin, Justice, and Verity) will be coming to the States for a couple of weeks, starting on July 23rd, to visit and to pick up schoolbooks and supplies before returning to Costa Rica where they have a ministry to the Cabecar Indians. Normally, they use a family member's vehicle which is lent to them while they are here, but this time that vehicle is not available.

Please help us pray that the Lord will supply them with a vehicle for the time they are in the States. If you could help in any way, please let me know, or let Melanie know.

Thanks for praying.
