## World Wide New Testament Baptist Missions

---

Dear Praying Friends,

May - June 2026

We are thankful for God's grace, which carries us through each season, and for your steadfast partnership that makes our ministry possible. It is always a joy to share how the Lord has been working in these recent months.

**May** was a mixture of joy and sorrow. First, Jeremy preached at a Sunday missions meeting in South Carolina. He also traveled to Seattle for the funeral of a dear missionary who served faithfully for decades in Spain and then continued serving in his local church until the Lord called him home. His life was a powerful testimony of faithfulness to the end. In addition, we had the privilege of taking two missionary families to the airport as they returned to their fields.

**June** brought an unexpected and emotional trip. Jeremy flew to Papua New Guinea after his uncle passed away. His Uncle Lewis Young and Aunt Judy had served the Lord together in a small village in the eastern highlands for 54 years. Jeremy was able to help his aunt in this time, and accompany her back from the village to the United States to settle. While in Papua New Guinea, he had the opportunity to preach to the public school children and at the church his uncle had planted. We give thanks for the faithful legacy of those who have gone before us. Back at the office, we continued to encourage and counsel missionaries by phone while preparing for upcoming ministry. Pray for strength and wisdom as Jeremy prepares for the upcoming trip to the Solomon Islands in July with Judah to encourage our missionaries there. To those who gave toward this trip, we want to say a heartfelt thank you. Your generosity was a tremendous help and encouragement.

### Prayer Requests/Praises:

- Praise the Lord missionaries who have finished their race well.
- Praise God for the opportunity to preach the Gospel in Papua New Guinea and for safely bringing Jeremy's aunt home.
- Pray for strength and wisdom as we prepare for the upcoming trip to the Solomon Islands with Judah.
- Pray for our missionaries serving in difficult places, and for their daily encouragement and faithfulness.
- Pray for more laborers to answer God's call to the mission field.
- Pray for additional supporting churches to join us in this work.

If the Lord leads you to help with future travel expenses, please mark your gift "Jeremy Travel" in the memo and send it to WWNTBM. Thank you for standing faithfully with us in prayer and giving. We are truly grateful for every church that partners with us to reach the world with the Gospel.

With Grateful Hearts,  
Jeremy and Esther Lockhart
