Greetings in the Name of our Lord and Saviour!

The month of June has been very busy with deputation and cleaning up the house that the Lord has blessed us with. We have pulled two 30 yard dumpsters of garbage out of our new house. Our new house is an older mobile home located 45 minutes north of Panama City, where the port is. We are currently living 2 hours away, so that is an answer to prayer.

The new house is in rough condition and needs quite a bit of work before we can move in. The roof is new and most of the floor is salvageable, the siding and windows need replacing though. We praise God for His working and making this house available to us! We are starting to collect the necessary materials to make it livable. Melissa is hoping to be moved in by the end of the year... Please pray with us as we will be working towards that goal. If anyone has any contacts for building materials, please let me know.

As far as deputation goes, we are heading to Virginia in July, from there to Missouri and then Oregon and Washington. We are not scheduled to be back home until October. Please pray for traveling safety as we go to the many meetings we have booked.

I was able to go into the port in early July and was able to get God's Word to many seafarers. A good portion of the seafarers are Pilipino and are Catholics. They are very misguided concerning Jesus free gift of Salvation. It is very hard to talk to someone that has been raised in and followed such lies their entire life.

Please pray for wisdom in dealing with lost religious confused souls.  
Keep looking up to our Saviour!
